

**Mattias Stenberg**

Mattias Stenberg is president of Hexagon's Asset Lifecycle Intelligence division and was previously head of strategy at Hexagon. Since joining Hexagon in 2009, Mattias has held multiple key leadership roles, among other things within M&A, investor relations, strategic planning and corporate development. Prior to joining Hexagon, he held various positions within investor relations at Teleca and Autoliv. The nomination committee is of the opinion that Mattias Stenberg's extensive experience regarding, among other things, leadership, M&A and investor relations will serve to complement the competence of the board of directors and help the board of directors successfully manage the company going forward.

**Born:** 1977

**Shareholding in Sinch (total, private & via companies):** 10,000

**Warrants in Sinch:** 0

**Education:** Bachelor of Science in business administration and economics, Linköping University, degree in computer sciences, Stockholm University
